

WE MAKE SUMMER

COMMERCIAL PARASOLS & RESIDENTIAL PARASOLS

A German family enterprise run in the second generation

Highest quality, flexibility and accuracy of technical solutions are our recipe of success. We have a holistic construction and production strategy, implemented by more than 140 employees, at our Upper Swabian factory close to the Lake Constance.

COLOUR SCHEME 5

MEZZO

Extremely stable and exceptionally ergonomic

The parasol roof of the user-friendly side-post parasol MEZZO can be tilted around 3 axes to adjust the parasol to the changing position of the sun. The optional hand crank and height adjustment guarantee an extra comfortable operation.

DACAPO

Extremely flexible and extra elegant

The stylish side-post parasol DACAPO combines aesthetics with functionality and is a true eyecatcher for your terrace or garden. Setup only takes a few seconds and due to the external mast, it can be turned in any desired direction.

-------------	-----	-----------	--	--	--

RIALTO

Extremely convertible and extra chic

The versatile side-post parasol impresses by its appealing shape. No matter if used as a standalone or in a group of parasols, it can always be tilted and adapted to the changing position of the sun – always an architectural eye-catcher.

FILIUS

Extremely harmonic and extra decorative

The charming lightweight FILIUS stands for an easy and quick assembly and disassembly. Upon request it can be equipped with a rope pull or crank drive. This decorative eyecatcher can be perfectly integrated into any environment.

rectangular	[m]	2.25 x 3.05	3.0 x 4.0			

SCHATTELLO

Extremely versatile and extra durable

The classic parasol SCHATTELLO lasts even after many years of outdoor use despite of sun, wind and weather. The gearing mechanism guarantees very smooth and easy cranking – the best companion for professional gastronomy.
